

Outlook University Independent School Network

High School of Pre-Medicine College Preparatory

Principal / Project-Manager

This school will focus on immersing students in the field of medicine. This position requires experience in the field of science and medicine. This individual must have the ability to facilitate a hands-on learning environment that aligns medical philosophy with core high school courses.

The requirements for this position consist of the following:

- **Continuous alignment of current medical trends to core academic courses**
- **Facilitation of the Project-Based learning environment using the M.A.K.E. Learning System**
- **Record keeping and adherence to the Wisconsin State and Outlook University Independent School Network processes and procedures**
- **Collaboration regarding the early college model of education with parents, students, community agents, and post-secondary partners**
- **Completion of projects and tasks as assigned by the OUISN Dean**

To qualify for this position the candidate must have a Master's degree in administrative leadership or extensive study in the field of medicine with a degree. Prior teaching experience is preferred but is not an element of disqualification.

This position is a year-round commitment. Salary begins at 40K for Project-Manager and 50K for Principal. Salary is also contingent on the number of students enrolled.

To apply: forward resume, post-secondary transcripts, and letter of intent to jobs@ouisn.org. Scheduling for interviews regarding this position will begin May 2nd, 2009. This position will remain open until filled.
